

chemical resistance glove,

Chem chemical resistance glove, blue / black, full nitrile coating and double dip at the palm area, cotton lining, sweat absorbing, palm micro-nitrile finished for secure grip, good abrasion resistance, resistant to chemicals, pleasant wearing comfort, suitable for people who suffer from latex allergy, length 35 cm

Article-No.: 253

Product details:	chemical resistance glove, "Chem", 35 cm, blue/black
Material:	coating: nitrile Liner: nylon
Size:	8,9,10,11
Standardize:	Category III EN 388:2016 level 4121X, EN 374-1:2016 Typ B AJKL, EN 374-5:2016
Packing Units:	12 Paar / 72 Paar
Cuff Style:	Jagged cuff
Protection category PPE:	PPE Cat. III - Protective equipment for high risks. Category III includes all products that protect against potentially lethal hazards and irreversible damage to health (complex PPE).
coating type:	Fully coated
Grip Design:	Rough finish
Gauge:	18
