**Product details:** latex household glove, stanard quality  
yellow, 30 cm

**Colour:** yellow

**Size:** 7,8,9,10

**Standardize:** Category III EN 388:2016 level 2000X, EN ISO 374-1:2016 Typ B - KPT, EN ISO 374-5:2016

**Packing Units:** 12 pairs / 144 pairs in a carton

**Cuff Style:** Jagged cuff

**Protection category PPE:** PPE-Kat. III - Category III includes all products that protect against potentially deathly hazards and irreversible injuries to health (complex PPE).

**coating type:** fully coated

**Grip Design:** Diamond finish

- EN 388:2016
- Resistance to abrasion: 2
  - Blade cut resistance: 0
  - Tear resistance: 0
  - Puncture resistance: 0
  - Blade cut resistance ISO: X

- EN ISO 374-1:2016
- Permeation resistance of type B: at least 30 minutes each with at least 3 test chemicals.
