**Article no.:** 599412

**Coating description:** Sports Cap safety helmet, blue

**Packaging units:** 1 piece, 10 piece

**Protection class Category PPE:** PPE Cat. III - Protective equipment for high risks. Category III includes all products that protect against potentially fatal hazards and irreversible damage to health (complex PPE).

**Norm:** EN 397:2012 + A1:2012  
EN 50365:2002

**Colour:** blue

**Sector:** Services / logistics / facility management  
Craft / manufacturing industry  
Heavy industry

**Helmet standard:** EN 397:2012 - Schutz vor fallenden Gegenständen  
EN 50365 - Electrically insulating helmets for work on low-voltage installations

**Helmet material:** ABS - plastic

**Additional protective properties:** Protective properties down to - 30 °C in accordance with DIN EN 397 - For use at very low temperatures (e.g. in cold stores).  
Electrical insulation in accordance with DIN EN 397 - Protection against brief, unintentional contact with live conductors with AC voltage up to 440 V.  
Electrical insulation in accordance with DIN EN 50365 - Intended for use when working under voltage or in the vicinity of live parts up to AC 1000 V and DC 1500 V.  
Protective properties against metal splashes (MM) in accordance with DIN EN 397 - For use when working with molten metal.

**Eyewear features:** Twist lock  
Chin strap  
Short peak
