

### 3M EAR Express corded earplugs,

3M™ E-A-R™ Express™ Pod Earplugs, Corded, The unique pod design of 3M™ E-A-R™ Express Earplug allows the foam to compress easily so that the plug slides gently into the ear and expands slowly, making an effective seal for most ear canals. The insertion grip makes handling easier and because you do not have to touch the foam during fitting it is one of the most hygienic types of earplug available. The unique pod design of earplug allows the foam to compress easily so that the plug slides gently into the ear and expands slowly, making an effective seal for most ear canals. Insertion grip makes handling easier. Available with or without a cord.
